Q1	<p>Question: Eligibility (by SANDAG Grants Distribution) Are projects located within a "potential" smart growth area as defined by the regional map eligible for the current planning or pending capital SGIP grant programs?</p> <p>Answer: This Call for Projects is for planning projects only. Planning projects can be located in either existing/planned or potential Smart Growth Opportunity Areas (SGOAs). The next cycle of SGIP will contain planning and capital funds. With the recent passage of the 2021 Regional Plan, the SGOAs for the future call for projects could be different than they are now.</p>	12/10/2021 09:09 PM EST	12/16/2021 01:52 PM EST
