

LOSSAN Rail Realignment Update

Del Mar City Council Presentation
July 24, 2023

Relocating the tracks off the bluffs: a timeline

Short-term engineering and environmental activities*

Phase 1: Where Have We Been?

- Online resources & engagement
- Public listening sessions, info sessions/open houses
- Reaching out – casting a wide net for invitations
- Topics
 - Informing general community on project basics
 - Technical info available for those following the project
- Future logistical considerations:
 - Day session and evening session
 - Splitting and bookmarking the webinar recording by topic
 - Exploring simulcasting or sharing info on local TV

Phase 2: What Comes Next?

2023

October

November

December

- Online resources & engagement
- Info and listening sessions
- Conversations and gathering feedback in-person events, emails, hotline
 - LOSSANcorridor@sandag.org
 - (858) 549-RAIL
- Emails to subscriber list
 - SANDAG.org/subscribe (select LOSSAN Rail)

2024: Continuing the Conversation

- Continue previewing the construction phase, discuss project benefits, and inform the community about:
 - How tunnel openings will look
 - Sound and vibrations during construction versus when trains are running
 - Travel time savings

2025: Looking Ahead

- More opportunities for general public comment
- Participate in the draft environmental document (DED) review process (CEQA/NEPA)
- Official DED comment period
- Outreach above and beyond what's required

Next Steps

- Virtual public events – **August, September 2023**
- In-person outreach – **Fall '23 and onward**
 - Tabling events like farmers markets
 - Events along the San Diego rail corridor and across the region
- SANDAG Update to City Council – **September or October '23**
 - Recap of virtual event and technical updates
- **Ongoing** education campaign – various media
