7. San Diego and Imperial Counties Sustainable Freight Implementation Strategy (Discussion)

Mariela Rodriguez, SANDAG

Tim Garrett, SANDAG

The San Diego and Imperial Counties Sustainable Freight Implementation Strategy will develop an implementation plan for actions that can be taken regionally to meet climate, air quality, and public health goals through the deployment of innovative and multimodal technologies, projects, programs, policies, and funding schemes.

8. Kumeyaay Corridor Presentation (Discussion)

April DeJesus, SANDAG

Melina Pereira, Caltrans

SANDAG and Caltrans District 11 are developing a Comprehensive Multimodal Corridor Plan (CMCP) for the Kumeyaay Corridor. The Kumeyaay Corridor CMCP aims to guide the development of innovative transportation network, transforming the way people and goods move through the central San Diego region. This CMCP evaluates all travel modes and transportation facilities in the study area using real-time travel data and incorporating public input. Completing the CMCPs will help the San Diego region compete for local, state, and federal funds, including Senate Bill (SB)1, the Road Repair and Accountability Act of 2017. The Kumeyaay Corridor CMCP is anticipated to be completed in late 2023.

9. Topics for Next Meeting and Adjournment (Discussion)

Chairwoman Erica M. Pinto, Tribal TWG Co-Chair, Jamul Indian Village of California

The Working Group is asked to discuss potential topics for the next meeting. As the Working Group meetings are quarterly the next meeting should take place in December 2022. This meeting will be in-person and hosted by one of the Tribal Nations.
