Introduction

Clean Air Day is on Wednesday, October 7!

The Coalition for Clean Air hosts California Clean Air Day every year on the first Wednesday in October. SANDAG celebrates Clean Air Day by encouraging the San Diego region to get moving and take the pledge to walk, bike, carpool, or ride transit on Clean Air Day: Wednesday, October 7.

Get your organization moving for Clean Air Day by taking the pledge. Share your personalized pledge link with the community, in addition to your employees, to garner even more participation. Organizations with the highest number of pledges will be recognized within their industry.

Engage your employees and the community through workplace activations, social media, and community outreach opportunities. Tag us on Facebook, Instagram, LinkedIn, or X for the opportunity to be featured on our social media channels.

Sample Newsletter Article Copy:

Take the Pledge for Clean Air Day 2026

Clean Air Day is on Wednesday, October 7. Get moving to help the San Diego region breathe a little easier.

Pledge to replace one solo car trip with:

- Walking, biking, or scootering.
- Carpooling with friends, family, or coworkers.
- Riding transit with MTS and NCTD.

Pledge Today: [insert your custom link]
