SANDAG Grant Review Board  
Trans-Net Environmental Mitigation Program  
Land Management Grant Program

Dear SANDAG Grant Review Board:

The City of San Diego (CoSD) Parks and Recreation Department has partnered with the Los Peñasquitos Lagoon Foundation to submit this grant application for the *Los Peñasquitos Lagoon Yellow Flag Iris Containment and Eradication Project*. If this project is awarded funding, The Parks and Recreation Department will issue a Right of Entry (ROE) permit prior to the grant award being finalized. If an existing ROE permit is set to expire prior to the completion of grant funded activities, the CoSD Parks and Recreation department will issue a new ROE permit prior to the expiration of the current permit.

Thank You,
