The Zoological Society of San Diego d/b/a San Diego Zoo Wildlife Alliance (SDZWA) commits to match a total of \$255,484 to support this Stinknet removal project for improved Coastal Cactus Wren habitat at the San Diego Zoo Safari Park. The matching funds for this grant will come from herbicide treatments overseen by the SDZWA Natural Lands Program, in-kind labor contributions from volunteers, project materials and unrecovered indirect costs.

On behalf of the Zoological Society of San Diego, thank you for considering our grant proposal for the TransNet EMP Land Management Grant Program for Species and Habitat Recovery. Should you require additional information, please contact Joyce Maschinski, Director of Plant Conservation at (760) 796-5679. We look forward to partnering with you to advance the goals of the San Diego Management Strategic Plan.

Sincerely,

DocuSigned by:

*David Franco*
