

Fostering the protection and appreciation

of birds, other wildlife, and their habitats...

January 31st, 2022

SANDAG TransNet EMP
Grant application match details

San Diego Audubon Society is proud to be involved in the TransNet EMP 2022 grant application by San Diego River Park Foundation and is committed to improving the protected area for birds and other wildlife.

We are happy to support this application with this match:

- \$5,000 in-kind donation of sand fencing maintenance materials,
- \$514 of staff time for Nuttall's acmison surveys and management work over three years,
- \$1,815 of in-kind volunteer time coordinated by SDAS for bird surveys over three years,
- \$13,914 of in-kind volunteer time for docent program coordinated by SDAS over three years, and
- \$3,016 of staff time for SDAS Executive Director.

This results in a total match provided by SDAS of \$24,259.

Sincerely,

Travis Kemnitz
Executive Director
San Diego Audubon Society
