SANDAG Grant Review Board
Trans-Net Environmental Mitigation Program
Land Management Grant Program

Dear SANDAG Grant Review Board:

The City of San Diego (CoSD) Parks and Recreation Department has partnered with the Friends of Famosa Slough to submit this grant application for the *Famosa Slough Stormwater Treatment Pond Restoration and Enhancement Project*. If this project is awarded funding, The Parks and Recreation Department will issue a Right of Entry (ROE) permit prior to the grant award being finalized. If an existing ROE permit is set to expire prior to the completion of grant funded activities, the CoSD Parks and Recreation department will issue a new ROE permit prior to the expiration of the current permit.

Thank You,

A handwritten signature in blue ink, appearing to read "Erika Ferreira".

Erika Ferreira
