

Figure 1. NULO and Torrey Pines State Natural Reserve in MU 7. Graphic from MSP, Vol. 3.

Figure 2. Populations of NULO in Torrey Pines State Natural Reserve and Los Peñasquitos Lagoon from field surveys conducted by California State Parks (CSP) between 2014-2016. Graphic includes areas of suitable habitat for NULO and potential restoration areas for native transitional species to reduce presence of invasive species adjacent to areas suitable for NULO expansion east of N. Torrey Pines Road. Graphic by CSP.
