The United States Constitution and treaties recognize Native American communities as sovereign nations within the territorial boundaries of the United States. San Diego Forward: The Regional Plan will combine a big-picture vision for how our region will grow over the next 35 years, with an implementation program to help make that vision a reality. Working in close partnership with the region's 18 cities and the county government, SANDAG will seek to create an innovative plan for our growing community that fuels our economy, protects our environment, and maintains our quality of life.
